The Elite 90 is presented to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA's 90 championships.

NCAA WRESTLING AWARDS

These awards honor the Most Dominant Wrestler as well as the student-athletes that have accumulated the most falls and the most technical falls throughout the course of the regular and postseasons. For results to be counted they must come against opponents in the same division (i.e. Division I vs. Division I). Ties in the falls and tech falls categories are broken based on the aggregate time.
